IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

HANNAH SABATA, et al.,	**Case No. 4:17-CV-3107**
Plaintiffs,	
v.	**SUGGESTION OF MOOTNESS AND MOTION TO DISMISS CLAIMS OF NAMED PLAINTIFF ZOE RENA**
NEBRASKA DEPARTMENT OF CORRECTIONAL SERVICES, et al.,	
Defendants.	

All Defendants in this action suggest the claims brought by Plaintiff Zoe Rena, also known as Cassie Zoubek, have become moot and they move to dismiss those claims. They bring this motion pursuant to Fed. R. Civ. P. 12(b)(1). Because she has been granted parole and is no longer incarcerated, Rena's claims against all Defendants are moot, preventing this Court from exercising subject matter jurisdiction over those claims. Therefore, Rena should be dismissed as a Plaintiff in this lawsuit. In support of this motion, Defendants are submitting a simultaneous brief and an index of evidence.

WHEREFORE, Defendants Nebraska Department of Correctional Services, Scott R. Frakes (in his official capacity), Harbans Deol (in his official capacity), and Nebraska Board of Parole, move this Court to dismiss Plaintiff Zoe Rena's claims against them and for all other relief this Court deems to be equitable and just.

Submitted November 20, 2020.
